

AS350 B3e

N° 0355

Year of manufacture : **2016**

TTAF : **2 198 hours**

Equipements :

- Engine flushing device without removal of cowlings
- Tail rotor arch
- Enhanced engine air particle separator
- Heavy duty blade pins
- Enhanced thermal protection on rear transmission
- Pilot & copilot windshield wiper
- Dual controls
- Thales avionics 200A starter generator 200
- Short protective skid shoes
- High skid type landing gear with two short footsteps
- RH side electric and de-iced external mirror-Fixed Parts
- Cargo swing(1400kg-3,080lb)-Fixed Parts
- Capabilities for extended cargo swing
- Rear right sliding door
- Sliding window, on rear LH & RH sliding door

NOT CONTRACTUAL PICTURE

Avionics :

- VHF day and night package
- Kannad 406AF-H-Emergency locator transmitter
- Garmin GI106A-Course Deviation Indicator
- Garmin GNC255A-VHF/VOR/LOC/GS
- Garmin GMA350H-ICS
- Garmin GTX33H -Transponder(mode S)
- Garmin GTN 650H -VHF/VOR/LOC/GS/GPS
- Thales H 321 EHM-Gyro-horizon
- AIM 205-1BL-Gyro-directional
- Altitude Encoder
- UI 9560-Turn and Bank indicator
- David Clark H10-13H-Heads
- Thales AHV16-Radio altimeter
